

**MUNICIPALITY OF THE COUNTY OF PICTOU
RADIO COMMUNICATION FACILITIES FEES POLICY**

1. This policy shall be entitled “Radio Communication Facilities Fees Policy”.
2. The fees to be paid to the Municipality for each of the following licenses, inspection, permits, applications, approvals, animal impoundments, or services are set in, or amended to the respective amounts shown in the following tables:

Description of License, Inspection, Permit, Application, Approval or Service	Fee
Processing of application for Municipal Concurrence for installation of radio communication facilities as processed through Canada Radio and Information Network Service (CRINS)	\$2,100

3. All prior policies and/or practices with respect to radio communication facilities fees are hereby repealed.
